Every year, Karate Five partners with Foster Chapel Baptist Church in the Back-to-School Back Pack and School Supplies Program.

New backpacks are distributed to students from K-5 to college age at the Karate Five Dojo and Foster Chapel Baptist Church (FCBC) student congregation prior to the school year beginning. Foster Chapel began co-sponsoring this program with Karate Five in 2004.

In 2011 with the help of FCBC this back to school program distributed over 200 brand new back packs filled with new school supplies were distributed to public school and college age students!

Nearly 25 backpacks were handed out filled with new school supplies. Sensei Linda Wilson is pictured presenting a backpack to student, Marcus Campbell.

K-5 student, Kayla Torra said, “I know Sensei Wilson is going to get onto me for mentioning him and Sensei Linda Wilson but once again they are always going above and beyond for the students because they care so much. It’s a blessing to have them as teachers and friends. On behalf of all the students, we say thank you!”

We aren't just a karate school, we are a karate FAMILY!!!”

During the 2011 **Back-to-School Program** distribution of school supplies and backpacks, one excited parent commented how her young daughter had long wanted a specific “pink” backpack decorated with a well-known children’s character. When her daughter went to pick up her free backpack, she round the very one she had wanted so badly and one her mother could not afford to purchase for her daughter. This parent expressed how thankful she was for the program which fulfilled her daughter’s back to school wish.

Karate Five knows that sometimes it is the small simple gifts which can be a “big gift” in the eyes of a child—simply being able to meet a child’s need in this program also fulfilled a child’s wish.
