

COLLEGE SCHOLARSHIP PROGRAMS

College Scholarship Programs

Since 2010 Karate Five in partnership with Foster Chapel Baptist Church's (FCBC) Education Ministry has contributed to the FCBC College Scholarship Program and/or awarded Karate Five Continuing Education Scholarship awards. Although the Karate Five Continuing Education Scholarships are not awarded on an annual basis due to availability of funds; however, Karate Five has been able to contribute to the FCBC scholarship fund as well as award Continuing Education Scholarships every year since 2010.

In June 2017 during Foster Chapel's morning service honoring high school and college graduates, scholarships were also awarded to recipients from Foster Chapel Baptist Church and Karate Five. Ayanna Troutman was this year's Karate Five Continuing Education Scholarship recipient. Ayanna is the daughter of Dwayne Troutman, one of Karate Five's staff leadership team.

Scholarships & Continuing Education Program

Money left over in K-5'S budget which is used to sponsor special events such as the Arnis Event is then used toward a Scholarship Funds. This scholarship is based on the availability of funds only and is not an annual sponsored scholarship but fortunately for our recipients, Karate Five has been able to award the scholarship for the last two (2) years.

In 2010 a scholarships was presented for \$600 to recipient and this year another \$600 scholarship was awarded in 2011.

Even though books and tuition are covered by scholarship. Master Mason best described the realities of these real expenses which affect a student financially as he recalled to member of FCBC and K-5 at a scholarship presentation of being in a similar situation back in 1961. He explained how being able to go to a movie or visit the local snack bar can makes life much more pleasant for a student facing the harsh demands of class schedules and educational expenses.

"These small emotional respites can make a big difference in the lives of students," Mason emphasized, "there are many other expenses which students encounter while obtaining an education that are not always covered by tuition."

2010 Karate 5 Scholarship

The 2010 K5 Scholarship is awarded to “Kim Talley”. Kim is a student at Lincoln Memorial University pursuing a degree in nursing. She believes that in furthering her education she can inspire young adults to journey beyond disruptive backgrounds and encourage them to make a difference in the lives of others.

In Honor of
Mr. John Roberts

(Left) First Annual Scholarship awarded in Honor of John Roberts, Owner of Scruggs Barbeque.

The scholarship was awarded in honor of Mr. John Roberts, owner of Scruggs Barbeque on Magnolia Avenue, Knoxville, TN and a long time permanent business man in the East Knoxville community for many years. Mr. Roberts has always been a big supporter, sponsor and patron of Karate Five and its program to help the inner city children.

As strong community leaders, Karate Five Association knows firsthand the benefits of a continuing education assistance. ***Karate Five's scholarship is the only scholarship open to nonmembers.***

To date, Karate Five has still been able to award its **Continuing Education Scholarship**.
